Massillonian Staff

EMILY McKINNEY
Editor-In-Chief

This year the Massillonian Staff was composed of seventeen members. Students chosen for the staff were required to have a "B" or better average, satisfactory attendance, a good conduct record, and the recommendation of all their teachers. In addition to publishing the Massillonian, the Staff held a rally to announce candidates for Miss Massillonian and Outstanding Senior Boy. It also conducted the chapel at which these girls were judged. At the end of the year, the most exciting feature of the Honor Chapel was the introduction of Miss Massillonian, the Outstanding Senior Boy, the Dedicatee, and the distribution of the Massillonian to the students and faculty.

We, of the Staff, believe we have produced one of Washington High School's finest annuals, one which represents a year of laughter, love, study, and tears. We hope you will be proud of it too, now and for the years to come.

Charlotte Kresovich and Judy Shallenberger design pages for their sections of the annual.

Paula Everett, Don Pocock, and Diane Swaney help Emily McKinney identify pictures as the deadline grows near.

MARCHING BAND

The "Alma Mater" played in the familiar M-formation is a devoted song sung during the half-time of the football game.

Obie, the Tiger of all Tigers, is imitating one of the band's majorettes, Chris Reese.

Jim Seifert gained a real prize when he reached into the picture frame and took cute Marcha Parsettie for his dancing partner.

Mr. Orin Ford, famous director of the Tiger Swing Band, is running the band over some music for a pep rally.

The world renowned Tiger Swing Band has again presented a season of fabulous half-time entertainment for Massillon fans. The band has presented eight new shows and has also participated in band revues and parades in Massillon and vicinity.

Nothing is more breath-taking than the familiar strains of "Tiger Rag" combined with intricate marching steps and swinging horns.

The band pays attention to the slogan "practice makes perfect" and rehearses every morning during June and July and every evening after school during football season.

It would be hard to discriminate between football fans and Tiger Swing Band fans, at the football game, but, nevertheless, we are proud of our fine band and the excellent reputation it has acquired.

MAJORETTES

Being a majorette is a position almost any girl in high school would like to hold. A combination of talent, beauty, poise, dancing ability and baton twirling ability are necessary to fill the ticket. This year the majorette rank has been rated as one of the finest which has ever led the Tiger Swing Band. The lucky girls chosen have worked hard for the praise delivered to them and the strong bond of friendship which ties them together is a cherished thing to each of them.

Posing with their flowers which they received at the Massillon-Lincoln game, the majorettes look happy; yet sad that this completes another wonderful football season.

Orchestra

The Washington High School Orchestra is composed of eighteen students and practices daily. The main portion of the group is made up of violin players; however, woodwinds and brass instruments are necessary also.

The orchestra presented programs in the junior high schools and accompanied the choir in presenting the Broadway musical, "The Music Man."

The Tiger Majorettes look like reindeers here as they pull Santa's sleigh in the Christmas parade.

Barbara Cindia and Emily McKinney appear to be enjoying dancing in front of those handsome football players to the tune of "77 Sunset Strip."

Cadet Band

The Cadet Band is made up of bandsmen who are working to earn a chair in the Concert Band. The band practices daily and learns the basic fundamentals of music.

When enough musical skill is achieved, the students are advanced into the Concert Band where they further their training.

SENIOR BAND MEMBERS

The seniors in the band and orchestra have put forth three years of tedious work in order to present the fine performances which they have. The friends they've made and the wonderful trips they've travelled have been definite hi-lights in their high school careers. Seniors will always remember their all night escapade and all that water at Bergie's house!! Looking back on all the hours spent with their fellow band members, every one of them would agree they wouldn't give up all the wonderful times for anything in the world.

CONCERT BAND

The Concert Band is fully organized following football season each fall. They rehearse daily and present concerts at the junior high schools as well as at Washington High School. The high light of the concert is the annual Spring Concert, a formal affair, which is highly regarded as an outstanding event in the school year by students, teachers, and citizens of Massillon.

Choral Music

Something would be missing from Washington High School without its Vocal Music Department. A little refinement and culture are added to regular school curriculum.

R. Bryon "Gronby" Griest is responsible for the success of this program. He has directed his choirs to first places in state competition in addition to presenting the traditional performance of Handel's "Messiah," an operatta and countless other concerts and appearances of the choir. This year his unsurpassable work has been recognized by the entire state in his election to the presidency of the Ohio Music Educators Association. He has won the respect and admiration of all who are associated with him and it is because of his tireless work that Massillon has become a center of choral excellence.

Mr. Griest proudly presents a plaque to Miss America of 1963, Jacquelyn Mayer, on behalf of the Ohio Music Educators Association.

BRINGS Culture To Massillon

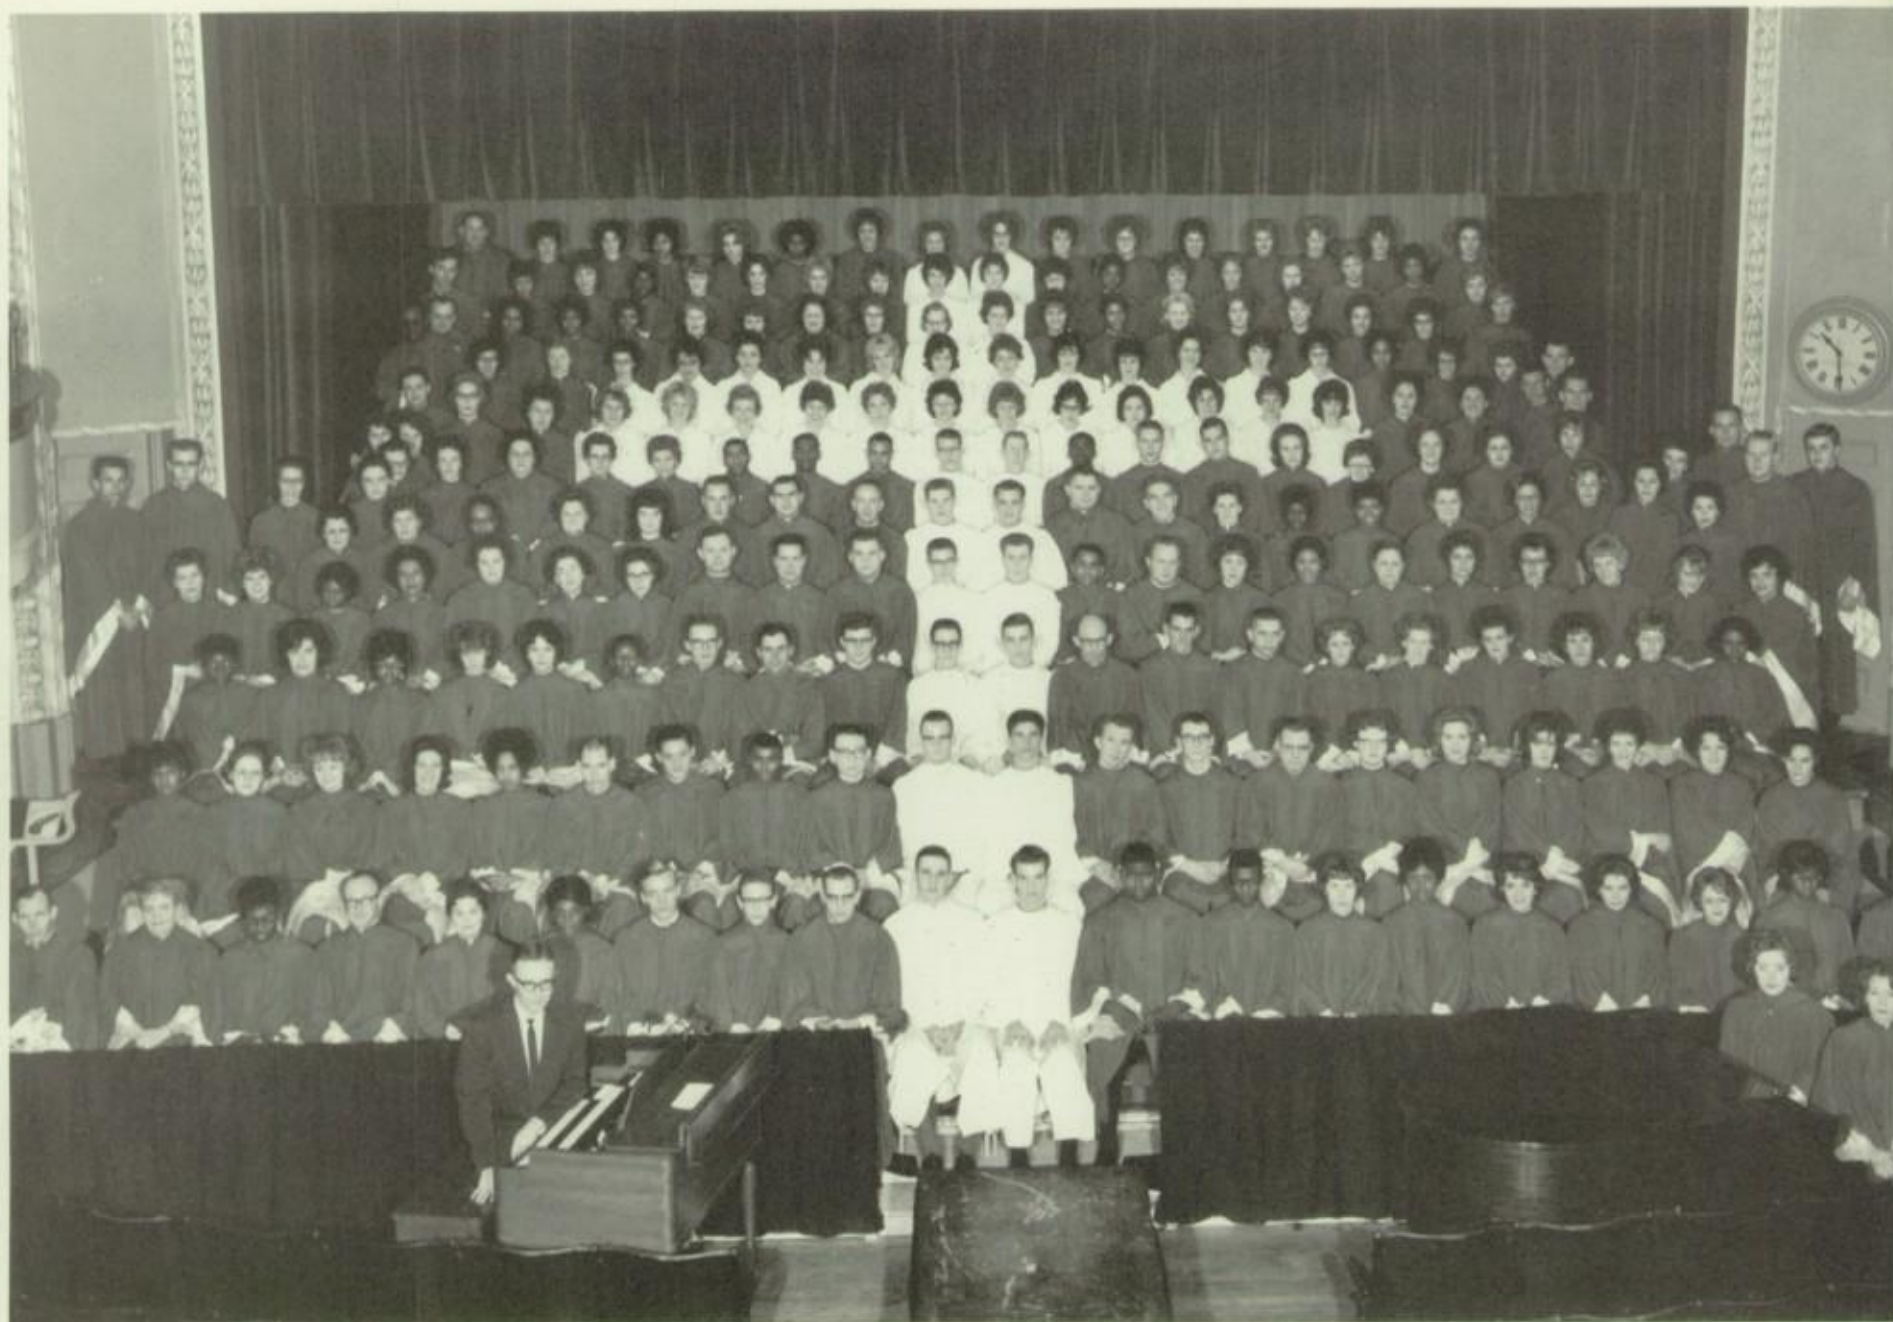

The choir program is rounded out by the Sophomore Girls' Choir, Girls' Chorus and Boys' Chorus. The latter two compete for top ratings in district and state contests. Girls' Chorus is made up of girls from the Advanced Choir and the Sophomore Choir. Boys' Chorus is composed of boys from the Advanced Choir.

And so the choir year ends. It has been filled with picnics, opening night jitters, concerts and all around fun. These are memories few will forget.

This year was the twenty-fifth anniversary of the traditional presentation of Handel's "Messiah" on December 14, 1962. The Oratorio was first presented in 1938 as a community project, but then was taken over by the Washington High School Choir. Elizabeth Sheen Gorrell is credited for its beginnings. Approximately 265 singers, one hundred fifty of whom are alumni of the choir filled the auditorium with the beautiful music which brought to the people of Massillon a perfect way to begin the Christmas season.

Washington High School was filled with gaiety and hearts pounded as "The Music Man" came to town. This happiest of all musicals was presented on March 8 and 9, 1963. Dave Bryant as the Music Man provided an unforgettable performance.

Fall and football stirred the blood of many a fan as school opened. As winter approached, the Tigers moved indoors for basketball and swimming. Spring and the robin urged golfers, cindermen, and baseball players out to participate in spring sports.

homecoming 1962

Excitement mounted as Mrs. Sinnock turned to the microphone, ready to announce the 1962 Homecoming Queen and her court. Ten senior girls, voted as candidates for Homecoming Queen by the senior class, sat on the edge of their seats, their fingers crossed, anticipating the forth-coming announcements. These girls included Vicki Berquist, Linda Carpenter, Phyllis Gayheart, Sue Huntsberger, Suzanne Javens, Pam Lemmon, Phyllis McClellan, Emily McKinney, Georgia Pinis, and Annette Schenkenberger.

The moments passed and Vicki Berquist, Phyllis Gayheart, Sue Huntsberger, Pam Lemmon, and Annette Schenkenberger were called to the floor and presented with a long-stemmed covered rose. Papers were torn from roses and Pam Lemmon was the recipient of the treasured red rose, proudly becoming Homecoming Queen for 1962.

The court and queen reigned at the Massillon-Lincoln game on November 17th, and also at the annual Victory Dance held in honor of our fine football team.

Attendant, Phyllis Gayheart and escort, Lew Lash, proudly sing Massillon's Alma Mater.

A much anticipated moment is the traditional kiss the Homecoming Queen receives from Obie.

Walking down the field, the attendants and their escorts receive many rounds of applause from the spectators.

The 1962 Tigers took the gridiron with six returning lettermen and more than enough spirit. After losing our first game to a tremendous Fremont eleven, we went on to capture the next two games and prove to the home fans that these Tigers *were* as good as those in years gone by. Our fourth game was a setback which raised quite a few eyebrows; Alliance defeated us on a rain-soaked field 46-0. It was a bad night for our Tigers.

By the time we reached Warren our season record was 4 and 3. Warren was the crushing blow. Snow, mud, and a few tears covered the field after the Tigers played their hearts out, only to lose 20-7.

But the Tigers were far from being dead. Although injuries and often the weather were against us, the spirit and enthusiasm showed by the players and the students, and the Tigers closing their season with two straight wins proved that our boys weren't ashamed of their record.

The team and coaches have their eyes on next year's State Championship, and with the experience gained this year they should be able to do it.

The sophomore team had a perfect season; winning all five of their games. The reserve team had a record of 4 wins and 2 losses. From a team of 40 sophomores and a few juniors, they had some outstanding boys who certainly will be expected to help carry the load on the varsity team next year.

These girls devote many hours to learning cheers, making posters, pepping up the student body, planning rallies, and feeding the team at summer practices.

They are required to have high morals, as well as good grades, and must learn to co-operate as a group.

Basketball

The 1962-63 Massillon Tiger basketball team had a fine season this past year. After opening with two losses, the Tigers won six games without defeat. Captain Dick Gerber led the team in scoring with 285 points for a 13.8 average. The Tigers downed rivals Wooster, Alliance, East Liverpool, and made the season complete by defeating Canton McKinley in the first of our two games with them. The Tigers most impressive victory was the one over Mansfield, 84-82. The Tigers scored the amazing total of 51 points in the second half to pull the game out of the fire. In tournament play Massillon was 2 and 1, losing out in the Sectional AA Finals to a much taller Canton South squad.

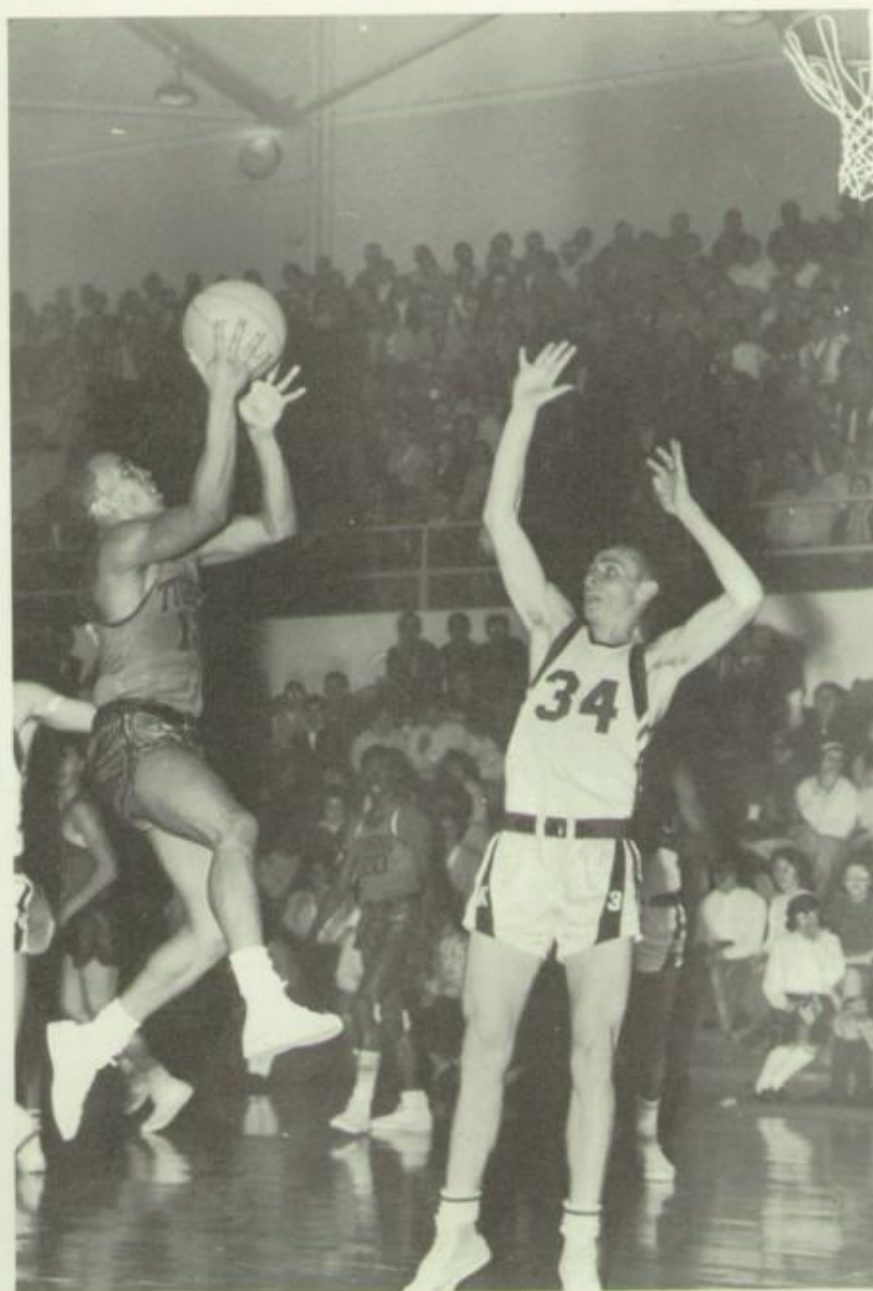

Through fine team work, coaching, and spectator support, the Tigers ended the year with a season record of 12 and 6, and a tournament record of 2 and 1, adding up to a respectable 14 and 7 overall mark.

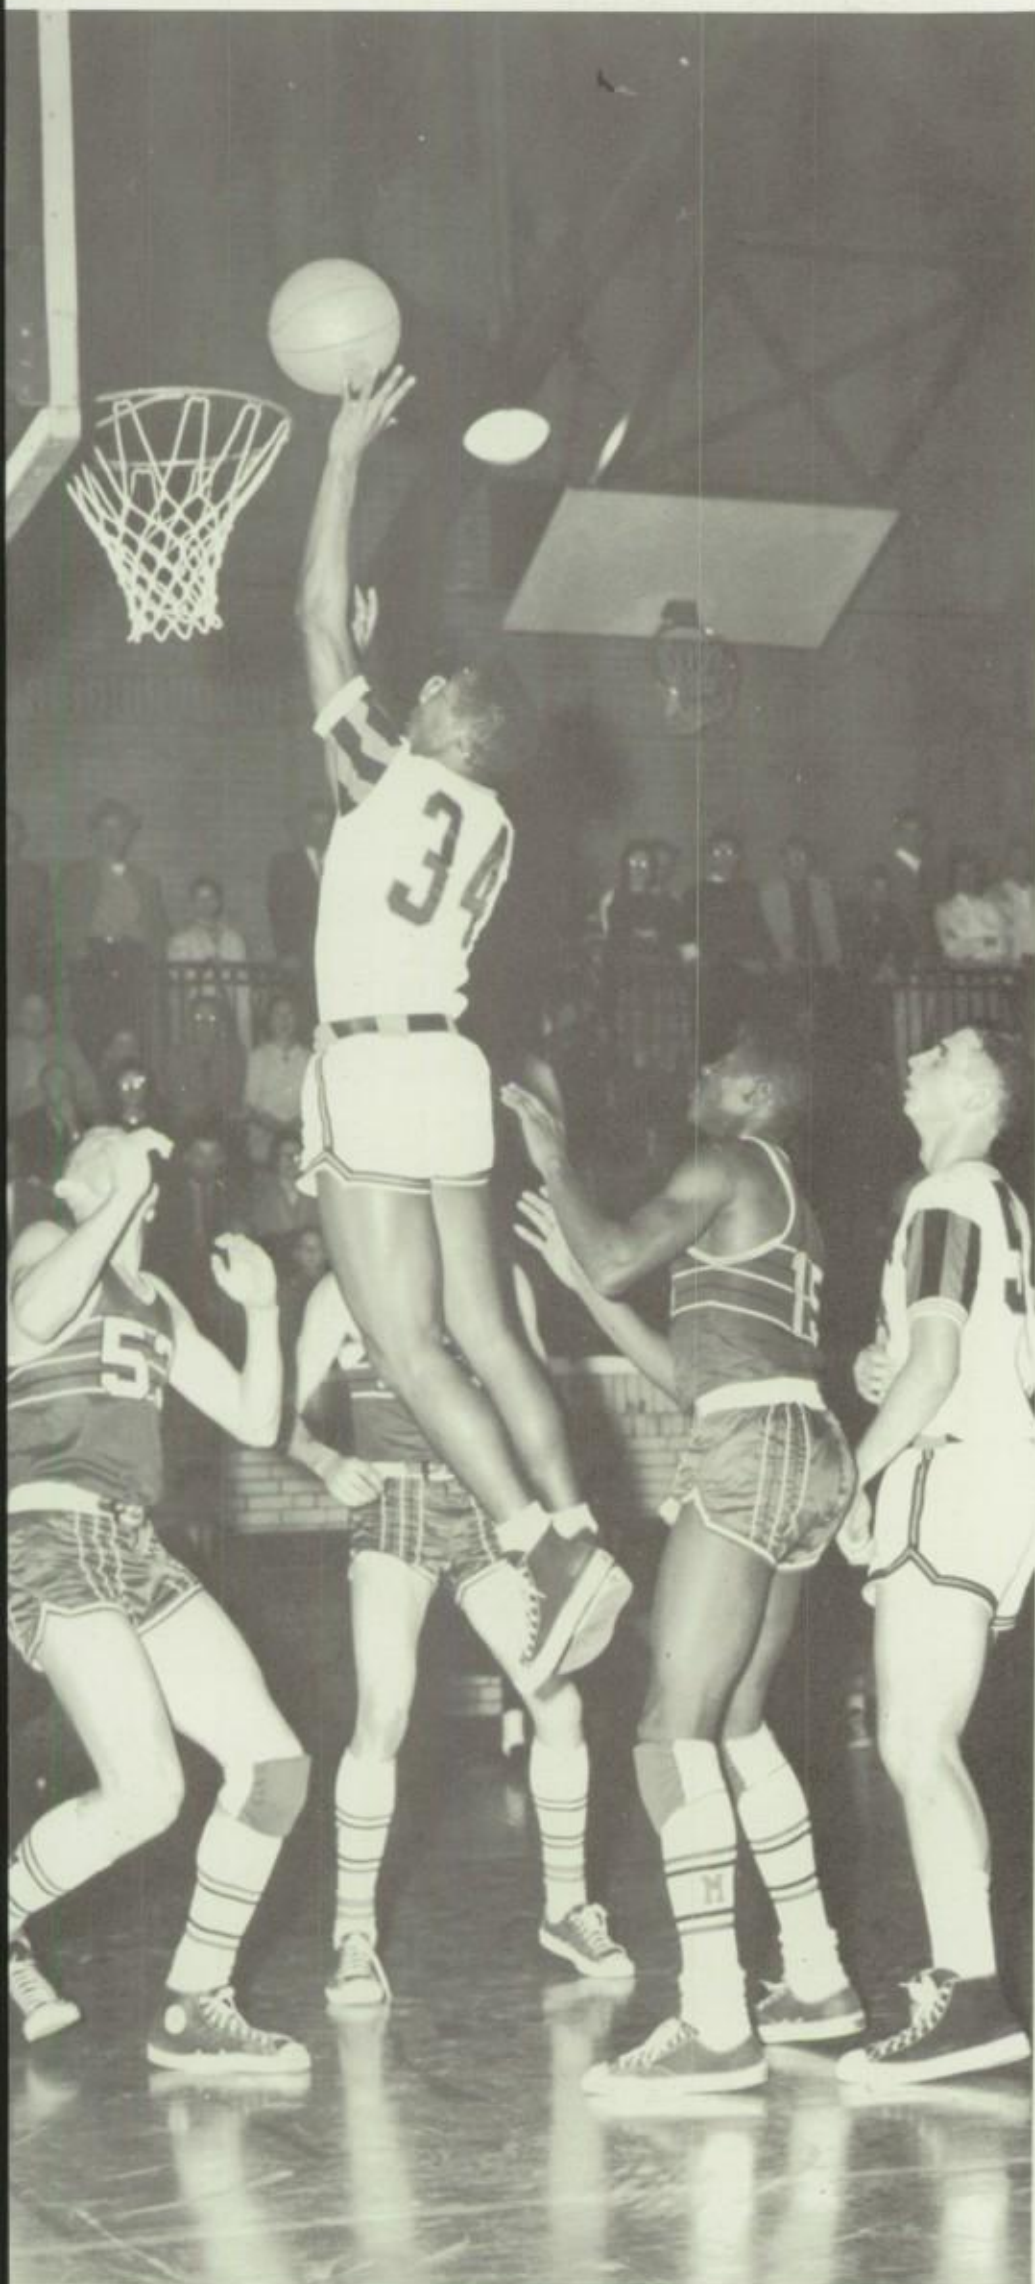

Senior forward Dick Gerber lays up two points as excited Massillon students look on.

Forward Will Perry breaks through a group of opponents after recovering a loose ball.

Junior guard Bill Blunt takes a long leap for two points while a McKinley player tries unsuccessfully to block his drive.

The varsity cheerleaders seem to be yelling their heads off as senior captain Dick Gerber comes crashing through the hoop in the familiar pre-game announcements.

Bobo McAllister seems to be all alone as he goes up by himself for a good two-point rebound.

In our second year of Big Eight warfare, the defending champion Tigers did well but not quite well enough to rewin the championship. Massillon lost its first game in League play to Warren, but went on to win the next 5 League games in a row. These victories were over Alliance, Canton McKinley, Niles, Salem, and East Liverpool. Massillon lost the game that would have given us the League Championship at Steubenville in a real squeaker, 59-55, in overtime.

The Tigers ended their League season with a 5 and 2 record and second place in the final standings.

As these players come together, Bill Blunt seems to have a puzzled look concerning his adversary's intentions.

With a steady eye and steady hands, Tiger Ed Buchanan shoots for two points.

Basketball

As unlikely as it may appear, this is Paul Mesaros going up for a very helpful two points.

Just before the game starts, the Tigers have a huddle with their head coach, Nick Vrotsos, and then they head for the court.

Basketball

The Reserves' season wasn't too successful as they ended with a record of 5-12. Several of the losses were by close scores. They finished strong by winning 2 of the last 3 and losing the other by one point. This was a young team, composed of all sophomores.

Jim Lawrence was the leading shooter and rebounder. He had 185 points for a 10.9 average and pulled down 153 rebounds. John Muhlbach was next in line in scoring with 115 points for a 7.2 per game average. He had the best shooting percentage with 33%. Bob Hewitt led in assists with 46. Phil Garcia was second in rebounds with 118.

Seemingly not affected by a Salem ballplayer's efforts to stop his shot, junior forward "Duke" Pierce takes his time and prepares to shoot.

While Dick Gerber watches, Bob Pryor's drive for the basket and two points is stymied by an alert Canton McKinley Bulldog.

As timer Mark Vogt watches, a Tiger tanker takes off on the final leg of the medley relay.

As the gun goes off, Eric Blatz and Steve Haas take off to try and win their event.

Swimming

The Tiger tank team may not have had the best season ever, but they had a good season, anyway. Using sophomores in many places makes next year's prospects look good. We qualified five boys for state competition; junior diver Jack Shanklin, who placed ninth in the state, and the medley relay team of Tom Rees, Bill Bradley, Ken Gerstenmaier, and Steve Gossage.

Massillon swam against some of the strongest teams in the state. And they managed to come out ahead of a few of them. One of the closest and most interesting meets was the final meet of the season against arch-rival Canton McKinley. The Tigers came from behind to almost catch the Bulldogs, but were beaten in the final events.

A fast start is important in any sport, especially swimming. Joel Vogt and Steve Haas leave from blocks four and five during an exciting meet.

Happy Tiger tankers watch the outcome of a close event, which Massillon apparently was winning.

Coach Bob Wherry discusses a coming meet with his swimmers.

George Burger shows some of the fine style which won him many second-place points as a diver this past year.

Gary Silvis takes off in his event at the sound of the gun, showing how important a good fast start really is.

These boys helped out as lifeguards for swimming classes this past year. They are; *first row l. to r.*—Mike Parsittie, Ted Ernst, Wayne Simon, Ron Feinman, Terry Getz, *second row:* Bill Donze, Dave Jacobs, Bob Spiegel, Fred Wilson, Glen Crites, *third row:* Pat Murphey, Steve Yost, Bill Phillips, Larry Hiebel, Clyde Castille, and Bob Laase.

Bottom row l. to r.—Bob Mahaffey, Craig Angerman, Joel Vogt, Dennis Kretzinger, Fred Heather, Bob Price, John Durst, David Lunn, Don Thomas, Eric Blatz, *Second row l. to r.*—Dick Malcomb, Bill Bradley, Gary Silvis, Bob Spiegel, David Holt, Bob Von Wyl, Jack Shanklin, Steve Haas, David Wilson, Tom Bruan, *Third row l. to r.*—Tom Heinrich, Steve Yost, Leslie Feller, Ken

Gerstenmaier, Steve Gossage, Dick Aman, Jim Gerstenmaier, Ron Bucklew, Pete Schaffer, Bob Reed, *Fourth row l. to r.*—Fred Herman, Wilbur Paisley, Dave Jenkins, Tom Rees, Ted Rhodes, Larry Hiebel, Bob Bradley, George Burger, Bill Tyson, Paul Manson, Coach Bob Wherry.

Wrestling

The Tiger Wrestling team finished their best season winning 13, losing 1 and tying 1. A fine crop of juniors and sophomores will move into the vacant places left by graduating seniors. With this talented nucleus of wrestlers, we can look forward to a very bright and prospective future.

Our sincere congratulations to our fine team and their talented coaches, Frank Domokos and Jack Robb.

Although many people regard wrestling as a boring and uninteresting sport, the tense expressions on these boys faces show their interest and determination to win.

Row 1; L. to R.—Doug Steiner, Tom Whitfield, Ron Legg, Walt Franklin, Frank Scassa, Ben Bradley, Ron Sullivan, Bob Geckler, Tyrone Hill, Richard Gayheart, and Ed Yoder. Row 2; L. to R.—

Coach Frank Domokos, Jim Mazziota, Ray Toddage, Wayne Geckler, Dennis Paflas, Don Schenkenberger, Frank Relford, Dan Martin, Ernie Hattery, and Coach Jack Robb.

Matmen finish BEST season ever!

Richard Gayheart has his opponent in a near-pin, and the referee doesn't want to miss anything.

Tyrone Hill has the apparent advantage over his opponent and he looks as though he's asking for the referee's opinion.

Tom Whitfield grits his teeth and attempts to roll his opponent over for that all important pin.

Ron Legg seems to want to tie his opponent into a pretzel. We understand that he won this match.

Ben Bradley goes for his opponent's ankle as he prepares to win another of his many fine matches.

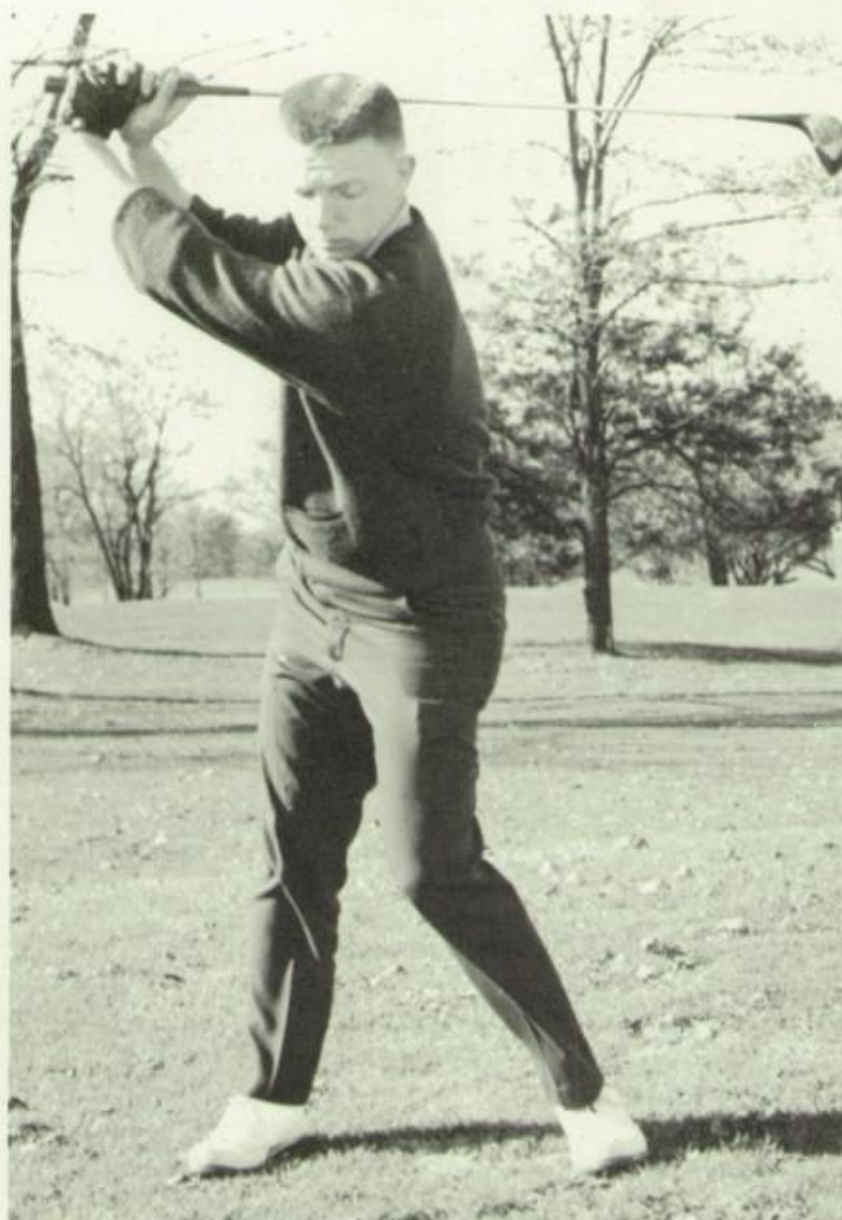

Golf

This year's golf team will have a promising nucleus of returning lettermen. Coach Robb will have his golfers practicing several afternoons to get them in shape to carry those heavy clubs around the course. If the boys work hard, this will be the fourth straight year that the golf team will go to state competition.

"Just wait until I warm up," smirks Graydon Eckard, as teammates Ken Swisher and Ron Alexander practice their putting.

Bob Spiegel seems to be worried about where his ball has rolled to as he prepares to drive from the third tee.

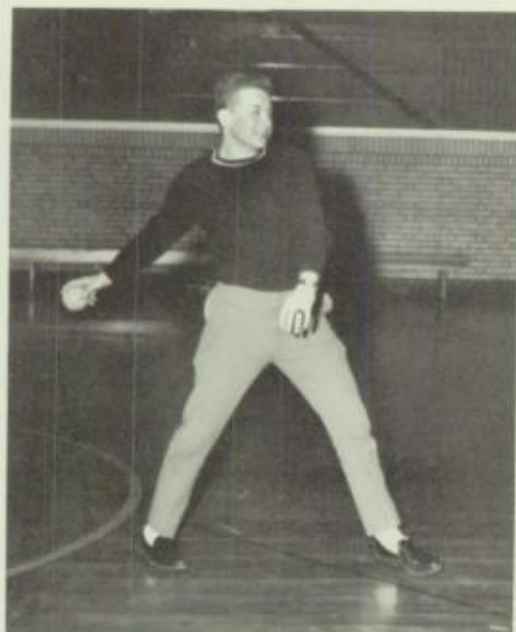

"A little more angle and you'll have it," is the advice of Ron Earle for Dave Keller, as Bob Spiegel and John Paulus look on.

Ron Earle, Dave Keller, Bob Spiegel are the boys in the first row of the returning golf members, and in the rear (L. to R.) are John Paulus, Ron Alexander, Ken Swisher, and Graydon Eckard.

Baseball

Mike Dragomir warms up in the gym before the season opens.

This year's baseball team will try to improve on last year's good record. The team starts practicing in March in the boy's gym under the watchful eyes of Coach Schroeder. By the time the season opens, the Tiger baseball team is in fine shape and ready to meet any team.

Duke Pierce seems to have lost his bat after he connects with the ball for an important hit.

Jim Ehmer is prepared for anything that might happen, and he isn't taking any chance of a strike getting past Randy McDew.

"Are two umpires better than one?" asks Tom Pope as he is tagged by Ron Swartz. Lew Lash and Pete Spuhler as the umpires seem to have made up their minds.

Front row—L. to R.—Terry Getz, Bill Blunt, Randy McDew, Tom Pope, Jim Ehmer. Second row—L. to R.—Mike Dragomir,

Pete Spuhler, Lew Lash, Ron Swartz, and Coach Schroeder.

tennis

Jeff looks as though he wants to send this one into the next county for a nice long rest.

The only boys that we are certain will be on the tennis team this year are these three senior boys. (We really aren't certain about Hill being a senior, but we'll call him one anyway.) L. to R. Marc Bailey, Dick Gerber, and Jeff Hill.

Marc shows the correct way to hold the racket for a good return.

Dick always seems to have fun, even when he isn't playing.

Jeff is a very rugged individual, and he really looks rugged now.

This year's crop of sophomores should add depth to the already experienced tennis team. The returning lettermen are looking forward with hopeful eyes to a successful season. As spring approaches, the members will start to practice outdoors at Lincoln Park and indoors at the YMCA.

Track

Front row L. to R.—Don Whitmer, Dennis Studer, Richard Fuchs, Bob Hewitt, Tom Roderick, Don Krempel, Ron Legg, Ken Gilmore, Tom Marceric, Steve Haas, Jim Stroh, Second row L. to

R.—Wilbur Paisley, Jim Moser, John Frieg, Ed Lash, Paul Shanor, Ed Buchanan, George Burger, Nate Thomas, Marion Parker, Larry Stevens, Coach Dale Walterhouse.

Tom Roderick lifts himself gracefully over the bar and prepares to fall to the sandpit as he finishes a turn in a pole-vaulting match.

As George Burger finishes he appears rather tired, but this doesn't stop him from competing in the events he enjoys, the half-mile and the mile. George is a senior this year and he runs well.

One of the most promising boys this year is Bob McAllister. He competes in the high jump and after the way he jumped last year, the coaches expect a lot from him this year.

With the return of experienced cindermen and several excellent jumpers, the Tiger track team should do very well in season and post season meets. Because track is such a rugged sport to compete in, the boys participating in it must be in top shape and possess great endurance.

Academic

The Annual Board presents with pride the 1962-1963 Faculty of Washington High School. The students feel their teachers, more than anything else, are responsible for the scholarship and character of our school. We salute them.

SUPERINTENDENT DR. VIRGIL E. BLANKE

Dr. Virgil E. Blanke is completing his second year as superintendent of schools. Under his dynamic leadership the Massillon Public Schools have embarked on an extensive improvement program aimed at providing the best possible educational program. Massillon has good schools; the present goal is to provide "excellent" schools.

Dr. Blanke is responsible as chief administrative officer to a five-member elected board of education. Massillon's twelve public schools with a student population of 6600 come under his direct jurisdiction.

Some of the numerous tasks undertaken by Dr. Blanke this year have included a comprehensive examination of the curriculum — especially in the areas of mathematics, social studies, and science; a detailed building needs survey; and a thorough study of the bus transportation program. All of these things are part of the general "aim for excellence".

ASSISTANT SUPERINTENDENT

L. P. KEMP

Mr. Kemp was appointed assistant superintendent of schools in 1955 following four years of service as coordinator of curriculum. He also served as principal of Washington High School for fifteen years. His many responsibilities include the recruitment, recommendation to employ, evaluation, and organization of in-service education programs for all certified personnel.

ASSISTANT SUPERINTENDENT

LOUIS C. YOUNG

Mr. Young has been assistant superintendent for five years after serving a three-year term as business manager for the schools. His duties include the employment, supervision, and evaluation of all non-certified employees. He directs all operations, maintenance, and repairs of school property and equipment and acts as the official purchasing agent for the board of education.

This year our Board of Education consists of the new president, Dr. L. J. Snively; retiring president, Mr. J. W. Snyder; the new vice-

president, Mrs. Helen Frazier; Dr. Robert Immel, Mr. Al Blantz, and Clerk-Treasurer, Herman Zepp.

I. W. SNYDER, PRINCIPAL

Administration

Mr. I. W. Snyder, principal of Washington High School has many responsibilities. As head of the administrative department he guides its educational and personnel policies. Constantly he is evaluating school procedures and planning how to improve them. He studies to keep abreast with progressive teaching techniques and curriculum changes. As representative of our school he also plays an important role in community leadership.

Mr. Snyder is respected by the students for his wise and just decisions, and his friendly smile encourages their friendship and confidence.

A. E. MORNINGSTAR,
ASSISTANT PRINCIPAL

Administration

Other members of the administration coordinate activities and schedules for the student body. Mr. Morningstar, assistant principal, has charge of attendance and helps the boys with their problems. Mrs. Sinnock, dean of girls, has the responsibility of guiding policies of behavior and dress for girls at W.H.S. Mr. Pfendler, guidance director, assisted by Mrs. Bryant, aids students in their plans for the future: the choice of vocation, planning for advanced training, selecting the right schools, and college. In many ways the guidance counselors assist students to become well adjusted young men and women.

The faculty and students of Washington High School honor the memory of Mr. William Nagel who passed away November 29, 1962. His dedicated, loyal spirit won for him the admiration and esteem of his fellow co-workers. His kind, friendly manner and his sympathetic interest in his students caused them to love and respect him.

For more than fifteen years our school has been enriched by the presence of Mr. Nagel, a truly Christian gentleman.

Senior Class

Memories are among man's most precious possessions. They add richness and fullness to a life that might otherwise be empty and meaningless. Memories cannot, however, be mistaken for the purpose of life. One cannot live a memory; rather memories should be revered as part of life.

We all have memories — we will remember the excitement of the first day and now after three years, our last day in high school; the football games, the dances, our classes, our teachers; but most of all we will remember our friends and, perhaps, one we once loved. Yes, these are our memories — our cherished riches.

JUNIOR CLASS OFFICERS

The days are passing and with each one we gain memories which will never fade. This year as juniors we have shared many experiences with our friends and classmates that will long be remembered.

The Junior Class is headed by four officers, elected by the students, and a social committee composed of members of the class. These two groups work together to promote an interest in the class and its activities.

This year has provided much excitement, fun, and hard work for the Junior Class. We look forward to a successful senior year, hoping that it will be quite as memorable as 1962-1963.

Anita, Linda, Bruce, and Terry have just completed another eventful day at Washington High School.

Sophomores

As we look back over our sophomore year, we are reminded of many good times and lots of fun. The dances, football games, rallies, and parties of which we were a part for the first time will long remain in our memories. We will never forget the troubles of that "first day" and other numerous mistakes which we made throughout the year. We're sure everyone agrees that this was a terrific year and we hope the sophomores of next year have as much fun as we did in '62-'63.

The boys display solemn faces as the familiar cry of SOPHOMORES rings through the gym at the first football rally.

CLASS OFFICERS

Sue Williams—Secretary; Barb Immel—Treasurer; Don Schenkenberger—V. Pres.; Dennis Morgan—Pres.

With the patience and guidance of our sophomore class advisors, Miss Cochran and Mr. Young, our sophomore year proved successful and fun for all.

Rain doesn't dampen sophomore spirits at the football games.

The Grasshopper and the Twig

TO the bulging eyes of the grasshopper it was just a spray of green young twigs, full of sap and spring.

The next instant one of the twigs lunged forward. The 'hopper was clamped in a pair of vise-like arms. The Praying Mantis, twig-shaped hunter of the insect world, began to dine.

Natural camouflage is not restricted to insects. Human "twigs", too, disguise their deadliness. Communists look and act and talk just like other people.

If we as individuals cannot penetrate the Communists' disguise, how can we possibly combat them?

The answer is so simple it is widely ignored. We can keep them out of positions of trust, where they can really harm us—simply by being *in* those positions of trust ourselves.

It means that many more of us must make the same kind of extra effort the Communists willingly make. It means ordinary citizens getting into active politics, joining civic organizations, doing the jobs the Communists would *like* to do.

It means work, no two ways about it. But if true Americans don't do it, Communists gladly will.

And it's work by which we could provide a powerful defense against our perfectly-disguised enemies, the Communists.
